Hotline Cologne: +49 (0)171-7011201

ConferenceBikes guarantee are a lot of fun. You get exercise in fresh air, are the center of attention in the street scenery and get - without any effort - in a good mood.

With the ConferenceBike Code we want to ensure that this fun isn't at the expense of other people.

Alcohol allowed, but moderately

Please remember, that you drink less while riding the ConferenceBike than you would in the same amount of time in a bar or pub. Even though the ConferenceBike is driven by our (stone-cold sober) driver, we are moving in public and in road traffic. Furthermore, you don't do yourself a favor if, during the tour, you are only concerned with staying seated. Therefore we apply the following rules:

- 5 liters of beer per hour are absolutely sufficient even when the ConferenceBike is fully occupied by 6 people.
- We only serve beer to persons over 18. You can have lots of fun without alcohol as well, wanna bet?
- Hard liquor is off-limits on the ConferenceBike (schnapps, liqueur, etc.).
- It is not allowed to bring your own drinks.

Those who want to start into the tour already tipsy or drunk have to stay at home. Especially for bachelorettes and bachelors, we recommend that you start your party with the ConferenceBike tour. There's no better way to get in in a great mood.

Further directions can be found in the terms of hire under "ConferenceBike is no Booze Bike"

Everyone needs to go to the restroom - but please not everywhere

During our tours there will be rest stops. On every ConferenceBike you find a list of restrooms that you can use along your route, the driver will stop there at regular intervals. Peeing in the street is a real offence to the local residents and is therefore punished by a fine not only by the police. Our driver is obligated to cut the tour short immediately in a case of peeing in the street!

If a member of the party causes the breaking off of the tour, we charge 100 EUR for the expenses of the return transport of the ConferenceBike.

Please remain seated

When senior citizens get on the bus, you shouldn't do it. But on the ConferenceBike it's always requested: remain seated! Jumping off the ConferenceBike while moving is not only annoying to those who have to keep pedaling. Primarily it is dangerous for the one who jumps off. In this case we also don't make compromises. When one of the party jumps off, the tour is over. Consequences are the same as mentioned above.

Beer, women and song - no bawling and molesting

Great atmosphere - only party poopers can remain quiet with that! If you want to sing along to your favorite songs, we appreciate it. And the people along the tour, that can see and hear you, will as well. If the singing turns into importunate bawling and passers-by are molested, the fun is over.

We choose our routes carefully

We gladly offer you advice on planning your route, so that you can pass many nice places within the period of time you booked our ConferenceBike. Important for the choice of the route:

- We don't go on streets where the speed limit is more than 50 km/h.
 - We avoid streets with just one lane and main streets during rush-hour traffic.
 - Our stops are chosen so that no one is constrained or disturbed and there is enough space for the whole ConferenceBike crew. During the stops music will be turned off.
-

Terms of Hire (see also rental contract)

Linie66

Our ConferenceBike is part of the brand "Linie66". We offer very special Bikes and vehicles in Germany.

Rental Period

The ConferenceBike can be booked Sunday to Saturday between 10.00 a.m. and 10.00 p.m. The minimum rental period is two hours. The ConferenceBike can also be rented for transfer-service or the whole day on special conditions.

Number of People

The ConferenceBike should be occupied by at least 7 people (6 pedaling guests, 1 driver). 6 people (plus driver) are the maximum crew size. The minimum crew size are 2 persons.

Driver

On every tour the driver will generally be one of our employees. Our personnel possess the necessary knowledge to navigate the ConferenceBike safely through traffic according to the road traffic regulations. The driver is not allowed to drink alcohol before or during the tour.

Routeing

We are happy to plan routes for you, according to your wishes and the rental period. Our drivers are generally familiar with the routes as well as party-proof. The ConferenceBike can go up to 20 km/h. We therefore advise you not to plan more than 10 kilometers per hour.

Valuables, Jackets and Bags

Please watch out for the valuables, jackets and bags you carry with you. Linie66 does not accept liabilities for lost items. Pay particular attention that wallets or mobile phones can't fall out of the back pockets of your pants. Storage space for your personal belongings on the ConferenceBike is very confined.

Drinks and Food

Drinks have to be purchased exclusively from Linie66. Our current selection of drinks can be found on our website. You can bring smaller snacks with you.

ConferenceBike is no Booze Bike

ConferenceBikes guarantee a lot of fun and an unforgettable adventure. To guarantee that you really can enjoy and experience your tour, we generally decline the serving or the consumption of spirituous beverages like schnapps and liquor. Should our guests not abide by this order but consume alcohol excessively and show symptoms of deficiency, the responsible ConferenceBike driver is obligated to cut the tour short immediately because of traffic regulations and insurance law. To make a real adventure out of your ConferenceBike tour, we advise our guests to consume a maximum of 3 liters of beer per hour (if fully occupied by 6/7 people). The consumption of drinks you brought with you is not allowed. For organizational reasons, a drinking of the "rests" after the end of the tour on the ConferenceBike is not possible. We therefore ask our guests to preferably consume all drinks before the end of the tour or take the drinks with. Furthermore, Linie66 abides by the law for the protection of the youth, that strictly prohibits the serving of alcohol to children or minors under 18 years old.

Music

Usually our ConferenceBikes are not equipped with a sound system. To prevent noise pollution, the driver is obligated to reduce the volume in residential areas. After 08.00 PM the ConferenceCycle tours only with a reduced noise level. Singing along is fun and part of the game, but should also be adapted to the time of day and the surrounding area.

Garbage

For your garbage and cigarette butts please use ashtray and trashcan. The careless throwing away of garbage, chewing gum, cigarette butts or even spitting is an administrative offence and can be punished accordingly with a fine. To reduce the amount of garbage, we use reusable tableware. For safety reasons all our drinking vessels are made from plastic. The tableware is the property of Linie66.

Transport

Usually, transport (delivery and/or pick-up service) is possible to almost any place you wish. During the summer months there can be limitations on the transports on the weekend. Please check with us if a transport for the desired time is possible. Transports will generally be agreed upon and charged for separately. You can easily communicate your wishes in our online rental form or via phone.

Bad weather

There is no bad weather, only wrong clothes. The ConferenceBike has no roof. So, we have some rain ponchos on board. Because we reserve the booked dates exclusively for you, the terms of the

hiring contract will apply in case of a cancellation. In the off-season (October to March), we offer the opportunity to reschedule once without extra charge. Please don't hesitate to contact us.

How to book our vehicles and other useful things

For reservations please use "Reservation request" on our website, contact us directly or send us an e-mail to: info@linie66.de. After we have received your request we check the availability and send you an offer.

Our offers are not binding. If you want to fix your tour, we'll send you a rental contract. Sign the contract and send it immediately to our central disposition in Cologne, mail account: info@linie66.de or fax number: +49 (0)221-16852439. After we have received the signed contract, your tour is reserved.

Important: With his signature on this contract, the lessee accepts its content as well as the Code of Linie66 (BigBike Code, SportyBike Code, ConferenceBike Code).

Additional please pay a deposit (min. 50%) or the complete amount in advance per international bank transfer to our bank account punctually. No deposit - No fun! Your tour is fixed and we will send you a booking confirmation after we received the payment.

Cancellation - Important Advice

Please note, that only after you sign the contract and pay in due time (in advance, usually within 10 days) the date will be reserved bindingly. With his signature on this contract, the lessee accepts its content as well as the Linie66 Code and the terms of hire. In case of inappropriate behavior of the lessee and/or his crew, especially symptoms of deficiency due to excessive consumption of alcohol, the lessor has the right to cut the tour short or not even start the tour. In case of a cancellation of this contract at least 30 days in advance of the agreed upon rental date, the lessee has to pay 50% of the total price (excluded costs drinks). If the cancellation is made less than 30 days before the agreed upon rental date, a payment of 100% is due.

Particulars

Please communicate your personal data as complete as possible to us so that we can guarantee a smooth and quick handling. Naturally your data will be handled confidentially
